Today at school I was just learning as usual, when mag started to peek at my test AGAIN!! Each time this happens, I have to teleport outside in the hall. then he'll follow me and ask to go out to the hall. this has happened already 50 times this week!! mag's a magma cube. we had to order him stone stairs, because he burned all his wooden desks and stuff. I also told Mrs. Brine about my journal. She said it would be a great way to log the players I attack. I told her that I was going to use it as a journal, and she said that its practically the same thing. My friend is a zombie, and he has a friend that is a human. My moms an Ender Dragon, and is always telling us what to do. I told him that he had it easy, but he told me that I had the easier life. boy, if only he knew!
